<u>To determine appropriate Age Group:</u> Age cut-off for the 2010 baseball season is May 1. A player's age on April 30, 2010 will determine which team he will play on. Please circle the age group that you are trying out for:

Birth date between May 1, 1995 and April 30, 1996	**14U**
Birth date between May 1, 1996 and April 30, 1997	**13U**
Birth date between May 1, 1997 and April 30, 1998	**12U**
Birth date between May 1, 1998 and April 30, 1999	**11U**
Birth date between May 1, 1999 and April 30, 2000	**10U**
Birth date between May 1, 2000 and April 30, 2001	**9U**

Note: If a player's age (summer birthday) puts him in a group with players who are in a lower school grade, he is permitted to tryout for the team comprised of his school classmates. This is considered an Age Group Rule Exception and requires ABL Board approval. For example, a player that turns 11 on May 15 will play on the 10U team (cut-off is May 1 – he is 10 years old on April 30th). If he will be in 5th grade, he can petition the ABL Board for an Age Group Rule Exception to play on the 11U team. **<u>He must tryout with all the others 11 year olds.</u>**
